

Weddings at Ryder Farm: at a glance

Host your wedding at Ryder Farm! Located in Brewster, New York, the farm is 90 minutes north of New York City. The Farm spans 127 acres—a landscape that includes farmland, ponds, natural amphitheaters, trails and numerous historical structures.

Access

- Most weddings at Ryder Farm occur on the Bowling Green (the field can hold up to 350 people) proximal to Starr Ridge Road.
- You will have access to Ryder Farm for a full 24 hours (e.g., 9am Saturday to 9am Sunday). If additional hours are needed, they will incur an additional cost. An exception will be made for tent installation, if your tent vendor needs to install a few days in advance.
- If your wedding party is interested in using the Barn or Garage at Ryder Farm, let's discuss! The use of the Barn or Garage will incur an additional fee.
